The "Son Shines" in South Florida!

The two things heard most at the 1st Access-Life Expo in South Florida were the choral of cheers made by those at the Welcome Station as each participant arrived and the question, "Are you doing this again next year?"

This truly was a blessed time with God working in the hearts and minds of all 459 people who attended as both volunteers and participants ministered to each other while enjoying the FREE day of bank fishing, boating, kayaking, arts, crafts, games and of course a great hot dog and hamburger lunch.

Each participant with a disability also received a unique goodie bag that contained a "Created in His Image" tract and a Bible as well as other fun items and informative resources.

"This was one of our best 1st time events" stated Doug Goddard, Access-Life Co-Founder/Co-Director. "The addition of kayaking with the accessible dock really was popular too."

All in all it was amazing day as people came from Miami to Jupiter to experience new opportunities, find a bit of respite and make new friends in God's great outdoors. Over a half a dozen area churches were also represented including First Baptist West Palm Beach which held a Wild Game Dinner and Auction benefiting the event a week earlier.

The 2012 date is already on the calendar so watch for updates and new activities too!
